

LOUGHEED AREA
GIRL GUIDES

FALL TRAININGS
2008

HOW DO I REGISTER?

1. Pick the Trainings you want to register for
2. Contact your District Training Rep – email or phone
3. Complete the registration form in full
4. Attach a \$10 cheque – dated for the date of the training – made out to Lougheed Area Girl Guides – for each training session registered for. This will be returned to you once you have attended the training or called in advance to let us know you can not attend.
5. Return registration form and cheque to your District Training Rep
6. You are registered!!

All trainings must be registered for 1 week prior to training date – this is to avoid paying rental on facilities we don't use. There needs to be a minimum number for each training session...so talk to your fellow Guiders and encourage them to come with you!!
