The Chilliwack Classic Raft Trip

Bounce through big waves surrounded by the Cascade Mountains. The Classic is suitable for both experienced and first-time rafters. It is **available year-round at all water flows**. If you are nervous, we can offer a quick shuttle or walk around the biggest rapids. Most people go for it but it's your choice. The [Chilliwack Classic](#) is Vancouver's favorite whitewater raft trip!

The Chilliwack Canyon Raft Trip

Gun barrel, Double whammy, Pinball, Godzilla, Surprise. With names like these you know these rapids have to be good. The Canyon is nonstop whitewater action. It is suitable for fit, keen beginners or experienced rafters. The [Chilliwack Canyon](#) is available year-round at medium water flows.

The Chilliwack Extreme Trip

During the Chilliwack's higher water flows, when the Canyon is closed, we often walk nervous first timers and children around the largest rapids of the Classic. It's personal choice. Walking around is not for you? You need all of the personal excitement you can buy? For those who dare the [Chilliwack Extreme](#), smash through the biggest rapids of the river twice. This means an extra 3km of the biggest whitewater of the year.

The Inflatable Kayak Tour

Charge through the biggest waves on the Chilliwack Classic in your own inflatable kayak. No experience is necessary, but you must be able to swim. Start out on easier rapids and end with an option to run up to Class 3. Check out a video of the [Inflatable Kayak Tour](#). A good time for the Chilliwack Canyon Crowd. Usually available mid-August through September.
